

Constellation Fishing for a Cure 2025 Sponsorship Opportunities

Help us reach \$1 million raised!

On Saturday, April 12, Braidwood Station will host its 24th annual 'Fishing for a Cure' bass tournament on Braidwood Lake.

Since 2002, with the outstanding support of station volunteers and the generosity of our vendors and employees, we have raised \$906,000 for charity. Below are a number of sponsorship opportunities to consider. If you need additional details or would like to sign up for one of the signature sponsorships, please contact Carol Ringler via email at Carol.Ringler@constellation.com or 815-417-3755.
